### A FEW WORDS FROM OUR HEADTEACHER

Dent Church of England Primary School is a Voluntary Aided school in the Diocese of Carlisle, Cumbria. We are part of Cumbria Local Authority and the South Lakes Rural Partnership of schools. Children who attend our school come from the Parish of Dentdale.

Our small thriving school provides education for 33 children at present. We have a very supportive group of parents and friends (Friends of Dent) who work tirelessly to help our school.

At Dent we have high expectations of our children. They have lively, active and enquiring minds. We provide opportunities for them to develop in all aspects of learning: academically, artistically, socially, and physically. Your donations enable us to buy new resources to keep up with the pace of change and to enhance their learning experiences. The Friends of Dent support the numerous after school clubs, by purchasing necessary resources. They also provide funding for special enrichment days such as Cultural Indian Dancing, Beebots and C-nex discovery sessions and ongoing IT technical support for the children's computers.

Forthcoming projects to be funded by the FOD are transport costs for school trips, such as the pantomime outing, outdoor learning days, new play apparatus for play time, equipment and staffing for extra curricular clubs such as Lego club, art club, code club and games club...and many, many more!

Our local community continues to vigorously support Dent CE Primary, helping in many ways throughout the year to support the education of our young people. We would like to take this opportunity to thank all parents and carers, friends, staff and businesses, who have generously pledged goods or services. Without the willing volunteers, this auction could not take place.

Thank you to all of you for supporting us by purchasing at our forthcoming auction. We hope to see you on the night.

Nicky Edwards
